

ZigMEDIA Ltd - ACCESSIBILITY STATEMENT

At ZigMEDIA Ltd. we are committed to providing accessible digital experiences to all individuals, inclusive of those with disabilities. We strive to comply with the Equality Act 2010 and the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA for our website and digital services. Our aim is to ensure an inclusive and barrier-free online experience for all users.

Accessibility Standards:

To achieve our accessibility goals, we adhere to the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA standards. These guidelines, developed by the World Wide Web Consortium (W3C), outline best practices in creating accessible digital content. We continuously work to improve our website and digital materials to meet these guidelines and provide an optimal user experience for all.

Accessible Design:

We place great importance on creating an accessible design that is intuitive and user-friendly. Our website incorporates features such as clear navigation, consistent layout, and well-structured content. We strive to provide alternative text for images, captions for videos, and proper heading structure for easy navigation with screen readers.

Keyboard Accessibility:

We ensure that our website can be fully accessed using only a keyboard. We understand that some individuals rely on keyboard navigation, and we have taken steps to ensure that

all interactive elements and features can be reached and utilised without the need for a mouse or other pointing device.

Alternative Formats:

We recognise that certain individuals may require information in alternative formats to access our content. Whenever feasible, we provide alternative format options such as downloadable PDFs or text-based content. If you encounter any difficulties accessing our content or require it in an alternative format, please reach out to us, and we will do our best to accommodate your needs.

Continuous Improvement:

We are committed to ongoing improvement and maintaining accessibility standards. We regularly review our website and digital materials, addressing any reported accessibility issues promptly. Our team receives training to increase awareness of accessibility requirements and principles to further enhance the accessibility of our online presence.

Contact Us:

Your feedback is invaluable to us. If you have any questions, concerns, or suggestions regarding the accessibility of our website or services, please contact us. We would very much welcome your input and are dedicated to making continuous improvements to ensure we provide you with the best experience when visiting ZigMEDIA website.
